J.B. STONER

For many years J.B. Stoner worked many long hours in his dedication to build the National States Rights Party into a major political party, dedicated to fighting for the rights of the White people here in America. He traveled from one end of the United States to the other, preaching the message of Love of the White Race, standing firm against the Jews and the race-mixing preachers and their message of "brotherly love" (which, if it is successful, will only mean the death and destruction of the great White Race).

He went without many of the luxuries of life, so that he could better serve the White People. He always prays for our blessed Savior to preserve the White Race, so that there will always be little White boys and girls born in the purity and image of our God.

Many times I have seen the honorable, but yet greatly humble man, with threadbare pants and sometimes needing shoes, because he had used his money to help keep the NSRP going in the early days of the party. But yet he has always been proud and a very rich man in the sight of our Heavenly

The Right-Wing Patriotic Reply

The National States Rights Party has the real answer to the American unemployment problem. Massive legal and illegal immigration is the chief cause of unemployment. There are between 15 million and 20 million illegal aliens in America. If they were all deported tomorrow, we would have zero unemployment. Unfair competition by foreign countries which have state-subsidized industries and pay workers coolie wages has destroyed our textile industry, motorcycle companies and many other firms.

Japan has the most restrictive import laws of any nation in the world. If a product competes with or harms a Japanese firm in any way, it will be barred from being imported. Why is it that our politicians continue to tell us that we must have no restrictions on imports? These are the policies advocated by the NSRP and put to a vote, they would be overwhelmingly approved by the American people. We must go out into the street and reach new people. More of our subscribers than ever before are ordering extra copies of The Thunderbolt for local distribution. Thus we are reaching more and more people with the truth and this effort must be expanded at all costs.

Stoner Will Maintain His Racial Attitudes

Convicted church bomber J.B. Stoner vows to resist "race-mixing" as long as he lives and predicts a federal court will agree with him that he has been persecuted for his beliefs and should be released from prison.

Stoner, who has served almost four months of a 10-year sentence for the 1958 bombing of an unoccupied black Birmingham church, said Tuesday he is counting on the 11th Circuit Court of Appeals to set him free.

"I've believed in white supremacy all my life and I still do," said Stoner, once the mouthpiece for the South's radical right. "I don't see why I should change because race-mixing has been thrust upon us."

But, Stoner, 59, a suspended Marietta attorney, said in an interview at Fountain Correctional Center that he will have reached "the end of the (appeal) road" if the 11th Circuit turns down his complaint.

He said if he lost his appeal he did not expect the U.S. Supreme Court, which has upheld his conviction, to review his argument that a 19-year lag in his prosecution violated his constitutional rights.

Stoner, appearing pale from a lack of exposure to the sun, said prison officials are overzealous in protecting him from black inmates he feared would kill him. He said he was not getting enough exercise, was denied access to the prison law library and cannot see the sky from his cell.

"I'd say there is too much security," he said. "I appreciate the Department of Corrections being concerned (about his safety), but I don't think it should be overdone."

Stoner appeared self-conscious at the interview about his dingy white prison uniform and coarse, laceless shoes — a stark contrast to his usually dapper civilian dress punctated with a Confederate insignia or the thunderbolt emblem of the National States Rights Party he founded.

He said he thought he made the right decision to end a five-month flight when he surrendered June 2, but he said time drags in prison.

"My life is stalled right now," he said. "I wish some way the days could go faster."

He was declared a fugitive when he skipped a January appeal bond hearing in Birmingham. He refused to say where he went to elude authorities.

Stoner, left with a permanent limp after a childhood bout with polio, said he was allowed to exercise 30 minutes a day on a concrete strip outside the prison, but he said that was inadequate to maintain his muscle tone and health.

National NSRP Chairman W.E. Wilson reports on the State of the Party

Never at any time in the history of the party has there been such complete unison and loyalty among the National Executive Board. Each one agrees on the need to build the National States Rights Party into a major political party to stand up for the rights of the White People in the United States.

We pledge to start running candidates for political office once again. We ask your support and help in the coming days. We thank all of you who have donated, sent in news clippings, written letters to the editor, and urge you all to sign up members and subscriptions to help build the NSRP.

Father, for he was carrying on the program that the Father had fore-ordained. God Bless this great man, this defender of the White People's Rights, and keep him safe in the Jewish concentration camp that he is now in. His only crime was his love for the White People, and in having spoken out against the Zionist Communist conspiracy to turn our country over to the Communists, and thus bring about the mongrelization of all our people, so that there will then be no more pure Aryan White children.

Hell is too good for these evil race-mixers who waited for more than eighteen years to bring him to trial for supposedly bombing a church in Alabama. The church was unoccupied and no one was even hurt. The statute of limitations had run out three times. These evil people will someday be in the bottom pit of hell, when they are finally called before God to pay for their crimes against the White Race.

They waited for a more favorable time to bring J.B. Stoner to trial. Three of the witnesses who could have proven that he was in the state of Georgia at the time of the incident had died by the time the trial came about. Never in the history of justice has such a farce taken place.

We are now in the process of filing an appeal before the federal court in Atlanta. We believe that it is possible that he could be freed by January or February of next year. He is now currently in Fountain Prison in Atmore, Alabama. He is in protective custody and for the time being is relatively safe.

For many years he traveled from one end of this great land to the other, defending many White Patriots that had been falsely accused of crimes by our corrupt justice system. When he is freed, I assure you that the spirit of this great Patriot will not be broken, and once again he will be working for and fighting for the rights of the oppressed majority. Please pray for this great man who has been so falsely accused and imprisoned by the evil anti-Christ system.

Did Benjamin Franklin Know Whereof He Spoke?

The following is a condensed form of Benjamin Franklin's address delivered before the Constitutional Convention in Philadelphia in 1787:

"There is a great menace to these United States today and that great menace, Gentlemen, is the Jew. In whatever country Jews have settled in any great numbers, they have lowered its moral tone, depreciated its commercial integrity, have segregated themselves and have not been assimilated, have sneered at and tried to undermine the Christian religion upon which this Nation is founded. They have built up a great state within a state and have, when opposed, tried to strangle that country to death financially.

"If you do not exclude them from the United States in the Constitution, in less than 200 years they will have swarmed in in such great numbers that they will dominate and devour the land and change our form of government.

"If you do not exclude them, in less than 200 years our descendants will be working in the fields to furnish the substance while they will be in the counting houses rubbing their hands. I warn you, Gentlemen, if you do not exclude the Jews for all time, your children will curse you in your graves. Jews, Gentlemen, are Asiatics; they will never be otherwise."

IMF Needs More Money

The House of Representatives has approved the $8.4 billion "loan" to the International Monetary Fund (IMF) by a vote of 332 to 76. Thus it seems the big banks who demanded this bail out because the backward colored "Third World" countries cannot pay their bills have won.

Now the IMF is asking for another $12 billion because they say this is not enough. Here we have a bottomless pit. Our tax dollars are being dumped down the drain! Perhaps the Gold and Silver "bugs" are right — soon our money will not be worth the paper it is printed on. The U. S. mint runs around the clock to keep up with the demand for paper money by the bankrupt banks who know the Third World is never going to repay them.

surprised audience of the National Medical Assocaition that at one time all the people in the world were non-White. Dr. Welsing said that there was at one time a mutation of albinos out of the non-Whites and that is how the White race came into existence. She called White People "genetic mistakes."

Dr. Welsing noted that these views are as yet unsupported by scientific evidence, but feels that blacks should understand that Whites are but a tiny minority in a world of non-Whites. She said that it is a *"genetic deficiency for Whites to be unable to produce offspring of color."*

We have heard all sorts of reasons negroes use to justify their inability to achieve the same advanced levels of the Whites, but Dr. Welsing takes the cake when she reasons: *"Because Whites were made to feel inadequate because of their inability to produce color, they became more socially aggressive in an attempt to control those who made them feel inadequate."*

It's always the fault of the Whites that the negroes are not *"equal."* They refuse to admit that any of the blame could possibly be their own. Such *"theories"* simply add to the negro's unreasonable hatred for White People and their desire for vengeance.

intelligent, then genetic enslavement will be the destiny of the next generation. The consqeuences may be the extremes of racism for both Blacks and Whites."

". . . that for low IQ Negro populations, each 1 per cent of Caucasian ancestry raises the average IQ by one point . . . . the major deficit in Negro intellectual performance must be primarily of hereditary origin."

These are the words of Dr. William Shockley, inventor of the transistor, Novel laureate, geneticist and currently professor of Electrical Engineering at Stanford University, California, to the American Psychological Association in September 1971.

Of late, Dr. Shockley has been in the spearhead of the new wave of "Race Scientists" attempting to break through the hypocritical barrier of "academic freedom" to demand an objective, national study of race and intelligence in the USA. The National Academy of Sciences has several times voted **against** sponsoring such a study.

Why? the reader will ask. Haven't we all been told how oppressed and deprived the Negroes and how these "environmental factors" have caused the Negro's almost zero contribution to culture? How is it that the Establishment mouthpieces tell us that "everyone is created equal," whatever that may mean, when in our hearts we know that the truth is otherwise?

The fact is that the assumption of flat human equality in intellectual capability is basic to all liberal and communistic political philosophies. If this assumption is indeed false, then all the pious ideas of peace, redistribution of wealth, and equality of the liberals are constituted on a foundation of fiction.

JENSEN BROADSIDE

One of the first broadsides against this foundation was delivered by Dr. Arthur Jensen in February 1969, in the prestigious *Harvard Educational Review* in which was published some of his research into race, heredity and intelligence. Dr. Jensen made two important points which have significant bearing on the attempts of the US government to integrate forcibly the Black and White races at the school child level:

(1) Compensatory school programmes (such as "Head Start") are a failure; they have not raised IQ or scholastic achievement, and

(2) these programmes were built on two false assumptions: that children are equally endowed with intelligence at birth; and that differences in their scholastic achievement can be equalized by improving the environments of children who do poorly.

Dr. Jensen also verified that the IQ difference of 15 to 20 points between the average Negro and the average White is almost exclusively hereditary in nature. This was easily done by comparing Negroes and Whites from the same educational and socio-economic backgrounds to eliminate environmental biases. Even so, many Whites from the poorest backgrounds scored significantly higher than the better-off Blacks. The most deprived minority in the USA, the Red Indians, scored seven IQ points higher than the Negroes.

It has been argued that poor nutrition, due to poverty, has adversely affected the Negro intelligence over the years, the

scholar of exemplary scientific training, yet as one who comes to the subject of race with a fresh viewpoint unbiased by the turmoil of past debate, his qualifications for testifying to what he finds are unique.

Besides the Nobel Prize, he holds the Medal for Merit for his work as Director of Research of the Anti-submarine Warfare Operations Research Group of the United States Navy during World War II. He also holds the Holley medal of the American Society of Mechanical Engineers, the O.E. Buckley prize of the American Physics Society, the Comstock prize of the National Academy of Sciences and the Morris Liebmann prize of the Institute of Radio Engineers. He received his doctorate from the Massachusetts Institute of Technology. He became the Director of the Transistor Physics Department of the Bell Telephone Laboratories in 1953 and, in addition to this work, is presently Poniatoff Professor of Engineering Science at Stanford University.

In other words, he is not only an expert in the evaluation of scientific data but he had a broad acquaintance throughout the highest echelons of our scientific hierarchy. What he has found and reported in regard to the suppression of the existing evidence on genetic race differences, as well as to the discouragement of further research, is of more than passing interest.

Early in the fall of 1966 Dr. Shockley started his appeals to the National Academy of Sciences to sponsor its own race studies. In a speech on October 17 of that year, he urged the establishment of a summer study group to seek new approaches to the "environment-heredity" uncertainty, stating that "I evaluate the marrow of the city slum problem to be our uncertainty about its genetic aspects and our fear to admit ignorance and to search openly for relevant facts." When the National Academy was unresponsive, he began to talk about "entrenched dogmatism." In April of 1967, in another speech to the Academy, he stated: "Results I obtained in a few days of research convinced me it must be a thinking-block rather than the difficulty of doing research that has kept such research from being done." He added that he estimated that at a cost of less than ten million dollars, and in less than a decade of time, reliable answers could be obtained.

His pleas to the Academy finally reached the point where its Council apparently felt some action on their part was required. As the magazine *Science* put it, "Shockley's vigorous advocacy has been a matter of some discomfort to the Academy, which finds itself situated between its traditional belief in free inquiry and its realization that the formulation of heredity versus environment adds up to a loaded question that might be destructively exploited by racists if the Academy even ratified it as the right question." So the Council appointed a committee which on October 17, 1967, at Ann Arbor, Michigan, rendered a report remarkable in two particulars.

First, the report asserted that "there is no scientific basis for a statement that there are *or that there are not* [emphasis mine] substantial hereditary differences in intelligence between Negro and white populations." For a group officially designated as the scientific advisory agency of the United States government — a group which, since the beginning of the Boaz era in anthropology some forty years ago, has been consistently condoning the saturation of the American public in the no-genetic-differences dogma — to come forward now with a statement that there is no scientific basis for such a dogma, is startling to say the least.

But even more surprisingly, the report recommended the rejection of Dr. Shockley's pleas for further research on the grounds that "none of the current methods can produce unambiguous results. To shy away from seeking the truth is one thing; to refrain from collecting still more data that would be of uncertain meaning but would invite misuse is

openeans who supported Germany in the war against Communist Russia are forced to live in fear today. They wanted to free their land from murderous Soviet occupation. Thus it was only natural that these anti-communists supported the Germans. In 1940, the Soviet Army occupied the Baltic nations, which had large Jew populations — *most of whom were anti-Christian and backed atheist Russia*. Stalin appointed Jews to govern the local Baltic peoples, which inspired much anti-Semitic feeling. *The Jews had become part of the Soviet occupation!!*

"Never Forget — Never Forgive" is the slogan of organized Jewry, including so-called "war criminal hunter" Simon Wiesenthal. In the March 1983 issue of his holocaust magazine, *Response*, Wiesenthal urged quick action by Allan Ryan of the OSI against Andrija Artukovic, who was Cabinet Minister of Croatia (now annexed by Yugoslavia). He wants quick deportation back to Red Yugoslavia where Artukovic has already been sentenced to death in absentia. Wiesenthal lamented: *"His case may take between five and ten years; the 83-year-old Artukovic just may live out the rest of his days in peaceful Surfside, California."*

— do not allow him to die a peaceful, natural death! Is this not the epitome of the most vicious hatred imaginable? Still, this is right in line with the Jews' vengeful slogan, "Never Forgive — Never Forget."

B'nai B'rith Anti-Defamation League lackey Jack Anderson on April 21 urged a speed-up in the deportation of Archbishop Valerian Trifa. Echoing the words of Wiesenthal, Anderson stated: *"The government can't just dump him beyond the three-mile limit like a load of garbage — however fitting that might seem . . . . What about Romania [where Trifa has been sentenced to death in absentia]. After all, that's where Trifa's outrages occurred. A suitable justice should await him there."*

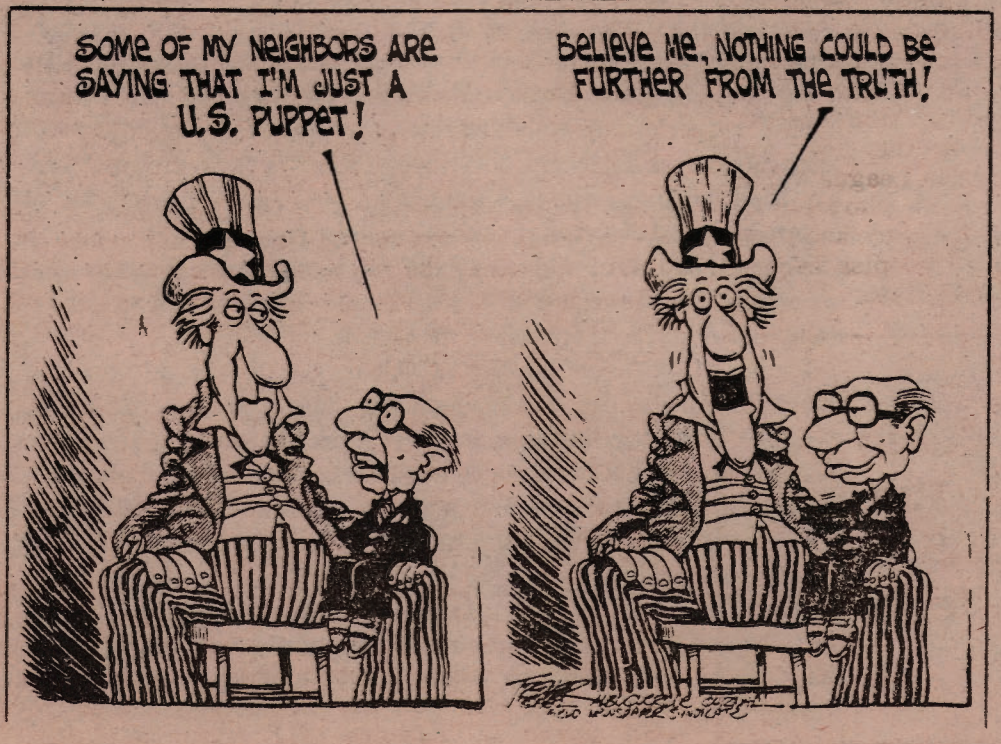
Patriots on Ryan-Wiesenthal Deportation List

Philadelphia, PA — Feodor Fedorenko, now 75 and a retired factory worker, was a Ukraninan forced into the Soviet Army, then taken prisoner by the Germans and then went over to their side. He is charged with being one of the thousands of guards at prison camps for Jews and communists. The treasonous "Justice Department" especially arranged for a Jew immigration judge, Gordon Sacks, whose court is normally in Buffalo, NY, to be sent to New Haven, Connecticut, for Federenko's three-day hearing (without a jury, naturally). The Justice Department wanted to give Jews the satisfaction of having one of their own order Federenko back to Russia and certain death. Jew ADL national director Nathan Perlmutter, said: *"The Federenko decision, though belated, demonstrates justice and morality. Let this serve as a warning to all other Nazi war criminals they can no longer escape retribution."*

This cold-blooded statement should enlighten all Americans! Who is running this nation, our elected officials or the Jews??



guerrillas during the mid-1970s. They assassinated political leaders, union officials and others. Banks were robbed and kidnappings for ransom were rampant. Thus large sums of money were raised to finance terrorist activities. The Montoneros were totally controlled by Jews and nearly succeeded in bringing down the Argentine government. Much of the liberal wailing we hear in America today over the fate of the "missing young people of Argentina" is for the Montoneros guerrillas. The armed forces caught these traitors and were forced to execute them in order that the nation smash the planned communist revolution. David Graiver was the Montoneros' banker and his cover was blown while he was in New York City. He and members of his family quickly took a private jet to Acapulco, Mexico. Near their destination the jet crashed into a mountain and no recognizable bodies were ever found. WAS GRAIVER EVEN ABOARD THE ILL-FATED JET? HE HAS BEEN REPORTEDLY SPOTTED IN ISRAEL!

David Graiver, Sr., moved to Argentina in 1931 and established the Commercial Bank of La Plata. Later the son, David Jr., took over and accepted illegal deposits from the Montoneros. This stolen money was laundered through his bank and invested in other banks. Graiver paid the guerrillas $130,000 a month interest to finance their terrorist campaign. A total of $17 million was deposited in his bank by the Montoneros. These details were revealed when Argentina's police captured the Montoneros' bookkeeper. He also revealed what Graiver was promised after the communists seized power.

Graiver Banks Collapse

David Graiver used communist money to buy a controlling interest in the American Bank and Trust Company of New York City. Due to his manipulations of its assets, the bank collapsed in 1976 to become the fourth largest bank failure in U.S. history. Graiver also used part of the $17 million in Montoneros money to buy banks in

Blacks Wreck White Civilization in Africa

Senegal — "The Star of The French Colonial Empire"

This was the description given beautiful Senegal whose industries boomed and its capital Dakar was called the "Paris of Africa." Even today, Dakar's beach resorts are filled with European tourists but the economy has collapsed. A little over 30 years ago France granted Senegal independence. But, today, Senegal is more dependent upon French foreign aid than ever before. Over $250 million was given by France this year to help stave off default in Senegal's $2.5 billion foreign debt.

Senegal is a dictatorship run by Prime Minister Abdou diouf, 48, who runs a socialist dictatorship. The French had established 102 highly successful private industries. Senegal confiscated all of them and hired 25,000 state employees to operate the various businesses. Critics say this is four times the number of supervisors needed. The industries have been plagued by black mismanagement, inefficiency and corruption along with nepotism. The average income of its citizens is only $300 per year. The inefficient and corrupt National Grain Board has wrecked the grain, rice and peanut plantations whose production will no longer even feed the nation's booming population. Senegal is in deep trouble and France says it now needs the help of other countries to keep it afloat.

Remember Gordon Kahl

The Thunderbolt has just received a letter from Mrs. Joan Kahl thanking us for the feature article in Issue No 290, revealing her husband, Gordon Kahl's true stand. This was suppressed by the daily press. Our heartfelt sympathy goes out to Joan Kahl on her great loss.

U.S. News & World Report of Aug. 1 reports there are now 45,000 tax-strikers. This is up 600% from five years ago. No wonder the Internal Revenue Service ordered the ambush of Gordon Kahl and his family in Medina, S.D. They want to discourage the thousands of potential Gordon Kahls out there and put the fire of resistance out before they lose control. *U.S. News* stated: *"The IRS fears the spreading tax resistance could signal a breakdown of traditional willingness of Americans to pay their taxes."*

Defaming Israel's Critics — Silencing Israel's Critics

Glenn Dale, Md., reader Peter Kenny wrote a very interesting letter which was published in the *Washington Post* of June 20. He quotes Nathan Perlmutter of the Jew Anti-Defamation League of June 5, declaring "crude anti-Jewish bigotry" is not the real danger but "lurks" among those who criticize or oppose Israel's actions. Perlmutter said grounds for suspicion of "anti-Semitism" exist within those who criticize Israel's invasion of Lebanon and their continuing annexation of the occupied Arab West Bank of Palestine.

Mr. Kenny says this forces Israel's critics to suppress their true attitudes in public out of fear of being smeared as "anti-Semites." He hopes the Jew Anti-Defamation League will not defame those who are speaking out for peace and security for all peoples living in the Middle East.

Join the N.S.R.P. Today!

sane surrender totally ignores the stepped-up Soviet military aid to Nicaraguan communist forces who supply the guerrillas in El Salvador.

Interesting enough is the fact that all these Congressmen blindly support unlimited aid to Israel which has committed bloody aggression upon all of its neighbors. In other words, they oppose $80 million in aid to anti-communists but approve $2.55 billion in aid to Israel!! The tiny state of Israel receives one-fourth of ALL U.S. foreign aid!!

Remember the names of these men because they consciously know what they are doing and the domino theory is now a reality. The Soviets have seized Cuba, Nicaragua, Panama (along with OUR Panama Canal) and are about to take over El Salvador. Communist guerrillas today are fighting to take over both Honduras and Guatamala. Should they fall, Mexico would be next and America would then face a communist uprising within our major cities by coloreds from all over the world who come here for economic reasons (but still support communism). They like the Reds' idea of "take from the haves and give to the have-nots." In other words, take from the White working people and give what is ours to the colored welfarites."

The Pro Sandinistas In Congress

Sen. Christopher Dodd (D.-Conn.) is the chief leader in the Senate supporting a total communist takeover of Central America. He says that no military aid of any kind should be given to any forces fighting against communist subversion. The truth is, of course, that Dodd philosophically is indeed a communist himself!

On the House side Congressmen Zablocki and Boland led the successful fight to cut off aid to anti-communist fighters in Nicaragua. These men hope to lead the communist forces they believe will one day seize power in America.

International Law

All this hullabaloo over the Soviets downing a Korean plane raises the question of just how fairly and impartially international law is applied. Or do we really have any international law?

When Israel shot down a Libyan plane within sight of the Cairo airport, our government and news media scarcely noted the lawless incident, let alone raised an eyebrow over it. Our president even greeted Golda Meir warmly at the White House less than two weeks later.

Both the Libyan and the Korean planes were unarmed and carrying multinational civilian passangers. So why the big noise over what the Soviets did and the big silence when Israel did the same thing? And how much longer can the U.S. continue to condone Israel's insolent defiance of the laws of civilized nations?

This irrational support of Israel is commencing to make even the most loyal of citizens inwardly cry "hypocrite" when our leaders rant about others breaking international law.

Industry Discriminates Against White People

Dear Editor:

I am a graduating senior this year who is confronted with one major handicap. This handicap is neither physical nor mental. It has to do with my race and sex: I am a White male. My teacher summed up my grave situation perfectly — she said, "Bobby, you're a very bright student with a bright future except one thing; you're a White male."

In today's job market White males are denied jobs regardless of qualifications so that "quotas" for negroes and females may be filled. Is this the government's idea of "EQUALITY"??

I thank God that fine people such as those in the NSRP are seeing to it that I, as a White male, am given an equal chance with all Americans.

God bless you and may your party gain more strength day by day to fight for White Rights.

Sincerely,

Jew Controlled System Pushing to Disarm White America

by Harry V. Bertram, Eastern Ohio NSRP Organizer

"Get the Guns!" is the battle cry of the coalition of hardcore leftists (who are mostly of the Jew persuasion) and "humanitarians" who are preparing for an all-out drive against privately-owned firearms. What Americans can anticipate in the coming year is a speedup of the step-by-step tactic which has been used by the system in the past for enforcing its most unpopular programs.

Unless the system is really feeling brave, it will first push through one or more compulsory registration laws before it gets around to attempting the outright confiscation of all civilian firearms and ammunition.

There is no human right more basic than the right to self defense. The right to keep and bear arms is a basic right of Aryan people since the beginning of our race.

Only serfs and slaves and defeated enemies have been denied the right to bear weapons.

With the right to bear weapons, of course, there has always gone a certain danger that one might use it for unlawful activities, but the same could be said for a knife or hatchet or any other of various things.

The point is that guns don't kill people. People do. And if they don't have a gun, they will improvise.

Regardless of the course others may choose, let us begin taking the necessary steps now so that when those who would make slaves of us make their move, we will be able to make ours.

Supremacist says magazine was wrong

HAYDEN LAKE, Idaho The leader of a Hayden Lake white supremacist group says a People magazine article on his Church of Jesus Christ Christian-Aryan Nations was inaccurate.

The Rev. Richard G. Butler, 65, pastor of the church, is pictured in the magazine preaching from a podium.

He denied a statement attributed to him by the magazine that "I'd kill my daughter if she married a black man."

"No, that's not accurate," Butler said. "I don't know where they dug that up from. You can't get a fair shake."

During a recent well-publicized but lightly attended rally in Spokane, Wash., Butler called for a separation of races. He said the Bible forbids interracial marriages.

Few people realize that many thousands of negro slaves were imported into Mexico by the early Spanish rulers. This question is outlined in the book "Mexico, Land of Internal Friction and Conflict," which stated: "Although the prospect of a revolt of the Indians caused little concern during most of the period of Spain's rule over Mexico and problem of the negro slaves (mulattoes — half negroes and quadroons — one-fourth negroes) was another matter. There were actually several negro conspiracies and uprisings, chiefly in Mexico City and the region of Veracruz. One of these might have been successful if the negroes had brought the Indians into their conspiracies, but consistently the negroes looked down on the Indians and in turn were disliked by the Indians. These negro revolts took place in 1537, 1608, 1611, 1664, and 1735.

"By the end of the 18th century the negro population — which for a long time had been much larger than the White — was reduced to a few thousand and the negro problem ceased to exist. Pres. Vicente Guerrero's decree of Sept. 15, 1829 emancipated the slaves. One of the reasons for this action

trouble in the rural areas but when they moved to the larger cities they joined lawless groups of vagabonds or the bandit gangs.

"Rapidly this mixed breed called mestizos became the majority of the population. Large numbers of them are homeless and jobless. The majority are ignorant, disease-ridden, amoral, and vicious. Sometimes they quarrel with one another and other times unite against the Whites, but more often the "leperos" took advantage of the dissension to mount riots or "tumultos" which gave them opportunity to steal, sack and murder.

Today all of Mexico's negroes have interbred with the Indians. The Whites look down upon these people as inferiors and the Yucatecan Mayas (who are themselves mixed) consider themselves cleaner and better than the mestizos (mongrels). THE MONGRELS CONSTITUTE THE MASSIVE WAVE OF WETBACKS WHO ARE FLOODING ACROSS OUR BORDERS FROM MEXICO. UNLESS THIS INVASION IS STOPPED THEY WILL DESTROY AMERICA JUST AS THEY HAVE WRECKED MEXICO!

World Council Fund Combats Racism

The World Council of Churches maintains a special fund called the "Program To Combat Racism." This group was created in 1969 to provide money for black Marxist guerrilla organizations fighting against White people in Africa. Their aim is to make all of Africa communists. Thus hundreds of White men, women and children have been killed.

The last year for which figures are available is 1981. Some $500,000 was given to Marxist groups. In all they have spent over $5 million. The World Council of Churches' leadership has openly stated racial segregation in South Africa, "*morally justifies a violent response.*" Thus if your church is a member of the National Council of Churches it is also affiliated with the World Council and its "humanitarian purposes" results in the murder of innocent White people.

Banks Enslave People With Interest

Banks Robbing People

Bank profits are at an all time high. A few small banks have failed because of bad investments which had nothing to do with home buying. Bank stock is at an all time high, far outdistancing other investments. Usury used to be a crime and is condemned as a sin in the Holy Bible. Today, all usury laws have been abolished and banks given the power to openly rob people.

Today, a homebuyer must pay the banks three times the actual cost of a home. Note on this page the figures of the interest cost in buying a $71,600 home. The interest is $219,740. THIS IS AN OUTRAGE — IT IS HIGHWAY ROBBERY!

The extent of this thievery can be more easily understood when it is compared to the interest people paid just a few years ago. Just study the following figures:

Year	Home Cost	Interest Cost	Total Home Cost
1950	$9,780	$5,140 (34.5% of total cost)	$14,920
1970	$20,540	$30,350 (60% of total cost)	$50,890
1981	$71,600	$219,740 (75.5% of) total cost)	$291,340

What the banks and the government are doing is to lower the standard of living for the American people to that of those in the Soviet Union and its satellite slave states. The time has come for Americans to awaken to the fact that interest is destroying the prosperity of our people. It is insuring that future generations of young people yet to be born will slave their lives away for the all-powerful banks.

Breakdown of Total Cost to Homebuyer of Home Selling for $71,600 in June 1981

Cost Items	Overall Dollar Cost	% of Overall Cost to Homeowner
Land, construction financing, etc.	$ 25,776	8.8%
Material	22,196	7.6%
Overhead & profit	12,172	4.2%
On-site labor	11,456	3.9%
14.5% mortgage interest cost over 30 years	219,740	75.5%
Totals	$291,340	100.0%

The figures above show that on-site labor costs accounted for $11,456 of the cost of a typical new home while mortgage interest cost accounted for $219,740, OR 19 TIMES THE AMOUNT OF LABOR COSTS.

cometh unto the Father, but by me." That Bible verse alone is sufficient to prove that it is impossible for the Jews to be God's chosen people. Since no man can come unto our Father Who art in Heaven, but by Jesus Christ, the anti-Christ Jews have no access to God. That is why God does not hear the prayer of a Jew.

We know that the anti-Christ Jews and their puppets constantly scream that the Jews are the chosen Master Race. The struggle between good and evil has been going on for a long time. That is the struggle between Jesus Christ and Christians on one side and Satan and his children, the Jews, on the other side. It is not right for the Jews to rule over us. We must look at the methods that the Jews use to control our country and the politicians. Jew power is based upon Money Power which they use to control the establishment. As you know, the Jews control 90% of both houses of Congress and that is why we have a foreign policy of Jews First and America Last. The Jews unjustly control our country and, on every issue, the Jews always put Jew interests ahead of White Christian interests. That is another reason why the Jews should not be allowed to hold office or to vote in our Country.

The Jewish Nation versus White Christian America

The Jews are only loyal to their worldwide Jew nation. The Jews in America, as in other countries, constitute a nation within a nation. They do not have dual loyalty because the Jews are only loyal to the Jew nation. They are not loyal to America or any other nation where they dwell.

We must face up to the facts about how the Jew Power Structure controls America and most other countries. Since the anti-Christ Jews rule the United States, they use the power of the United States to maintain their fellow Jews in power in other countries, especially in communist countries. If it were not for the Big Lie that the Jews are the chosen Master Race, we could liberate America from Jew domination in spite of the Jew Money Power and its control over the media, the entertainment world, the educational system and all of its other tentacles. Yes, you can compare the Jews to an octopus with its many tentacles when you think of how the Jews are controlling and destroying our Country. We could easily Free America from the Jews, in spite of all their power, except for one important fact. The Jews are able to remain in power because they control most of the clergy of all major denominations. The anti-Christ Jews control the anti-Christ preachers.

The False Prophets and anti-Christ clergy get on television and radio and in their pulpits and preach the big lie that the Jews are God's chosen master race. That is the big lie that keeps the anti-Christ Jews in power. That is how they stop millions of misled but sincere White Christians from supporting the Crusade to Free Our Country From The Jews. Those anti-Christ clergymen are the aces up the Jew sleeve. They mislead other ministers and they poison the minds of sincere young men in the seminaries. They put Jew lies in the Sunday school material.

Anti-Christ Preachers Support Jew Power

In accordance with Bible prophecy, the anti-Christ Jews have infiltrated and taken control of most churches. There are only a few ministers left who are faithful to our Lord Jesus Christ. Most of the others have sold their souls to the anti-Christ Jews. That is why the Jews can promote pornography and anti-Christian propaganda in the movies and on the television networks that they control. That is why the Jews have been able to commit genocide and murder millions of Christians and others in Central and Eastern Europe, beginning with the Bolshevik Revolution up until the present with the Jews committing mass murder (genocide) and torture against both Christians and Moslems in Palestine. When any true Christian stands up and dares to tell the truth by denouncing the Jews for those evil deeds, the Jew-owned, anti-Christ preachers condemn those who tell the truth about the Jews. When Christian White racists denounce Jew control of organized crime, the anti-Christ preachers say that they are going to hell for telling the truth about the Jews.

The Jews are making war against all Christian Whites. The anti-Christ clergy protect the Jews while they carry forward their program to conquer and rule the world and to destroy Christianity and the White Race.

Son of God Denounces Anti-Christ Preachers

According to the Gospel according to St. Matthew, Chapter 7, verses 21-23, our Lord Jesus Christ said:

true. Wherefore rebuke them sharply, that they may be sound in the faith; Not giving heed to Jewish fables, and commandments of men, that turn from the truth." Does your minister tell you Jewish fables?

Revelation 2:9 quotes our Lord Jesus Christ as saying, "I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the synagogue of Satan." Revelation 3:9 repeats that the Jews are the synagogue of Satan.

The First General Epistle of John, Chapter 2, verses 22-23 say, "Who is a liar but he that denieth that Jesus is the Christ? He is anti-Christ that denieth the Father and the Son. Whosoever denieth the Son, the same hath not the Father; but he that acknowledgeth the Son hath the Father also." The Jews do not acknowledge Jesus Christ so they have not the Father and therefore could NOT possibly be God's chosen people. The Jews are anti-Christs. Those who go along with and support the anti-Christ Jews are also headed for hell.

Galatians 3:29 says, "And if ye be Christ's, then are ye Abraham's seed and heirs according to the promise." This verse from the Bible is very revealing. The Jews are not Christians, that is, they are not Christ's; therefore, they are not Abraham's seed and very definitely are not heirs according to the promise that God made to Abraham. The Jews are not the chosen people. Romans 9:13 quotes God as saying, "As it is written, Jacob have I loved, but Esau have I hated." Christians are of the house of Jacob which is the house of faith, whereas the Jews are of the hated house of Esau, the house that God Himself hates.

The Jews have always hated Christians. Acts 9:22-25 says: "But Saul increased the more in strength, and confounded the Jews which dwelt at Damascus, proving that this is very Christ. And after that many days were fulfilled, the Jews took counsel to kill him: But their laying await was known of Saul. And they watched the gates day and night to kill him. Then the disciples took him by night, and let him down by the wall in a basket." That has always been the attitude of the Jews toward Christians on up to the present time when they have murdered Christians wholesale in all communist nations.

The Jews have always encouraged rulers to murder Christians, as recorded in Acts 12: 1-3 which says: "Now about that time Herod the king stretched forth his hands to vex certain of the church. And he killed James the brother of John with the sword. And because he saw it pleased the Jews, he proceeded further to take Peter also. Then were the days of unleavened bread." Acts 13:50 says: "But the Jews stirred up the devout and honourable women, and the chief men of the city, and raised persecution against Paul and Barnabas, and expelled them out of their coasts." Even in the 20th century, the Jews use the same methods against us Christians.

Our Lord was crucified by the Jews at the time of Passover. At that time, it was customary for Jews throughout the known world to gather at Jerusalem for the Passover. When Jesus was carried before the Roman Governor Pontius Pilate, Jews from everywhere composed the mob that gathered in front of Pilate's judgement seat. St. Matthew 26:17-25 says: "Therefore when they were gathered together, Pilate said unto them, Whom will ye that I release unto you? Barabbas, or Jesus which is called Christ? For he knew that for envy they had delivered him. When he was set down on the judgment seat, his wife sent unto him, saying, "Have thou nothing to do with that just man: for I have suffered many things this day because of him.

"But the chief priests and elders persuaded the multitude that they should ask Barabbas, and destroy Jesus. The governor answered and said unto them, whether of the twain will ye that I release unto you? They said, Barabbas. Pilate said unto them, What shall I do then with Jesus which is called Christ? They all say unto him, Let him be crucified. And the governor said. Why, what evil hath he done? But they cried out the more, saying, Let him be crucified. When Pilate saw that he could prevail nothing, but that rather a tumult was made, he took water, and washed his hands before the multitude, saying, I am innocent of the blood of this just person: see ye to it. Then answered all the people, and said, His blood be on us, and on our children."

That is what the Bible said about who killed Jesus Christ. The Jewish mob caused a riot and tumult to force the Roman governor to allow the crucifixion of the Son of God. They raised the horrible chant to let him be crucified. The Jews took the responsibility for the murder of Jesus when they said, "His blood be on us, and on our children." The Jews crucified the Son of God and the Christ-hating Jews of today are as guilty as those of two thousand years ago.

I Thessalonians 2:14-16 also says that the Jews killed Jesus Christ when it says, in part, "the JEWS WHO BOTH KILLED THE LORD JESUS, and their own prophets, and have persecuted us; and they please not God, and are contrary to all men." The Jews have infiltrated most churches and are now trying to get church organizations to contradict the Bible by saying that the Jews had nothing to do with murdering Jesus. Regardless of their lying, they can't change the truth in the Bible which says that the Jews killed Jesus. The Jews still hate Jesus with a consuming hatred.

compassion for their "unfortunate brothers." The fact that this hypocrisy goes on without arousing any protest from "the masses" indicates a lack of recognition which, in turn, implies a basic loss of healthy, protective instincts which alone provide genuine, moral understanding. Thus, this situation implies a relative absence of honor in our population, isolated exceptions nonwithstanding. For honor is the manifestation of truthfulness, and without truthfulness there can be no genuine morality. How do we know that our present morality is false? Because it does not work! The evidence is in our hospitals, asylumns, and penitentiaries. Once you accept this analysis of our current social ailments, the conclusion is obvious that an improvement in our situation is impossible unless and until we restore a *sense of honnor and inner integrity* in our people. Let us examine this task a little closer.

What is Honor?

Honor is the self-esteem and pride of an individual and a society. Honor is also a measure of appreciation for talents and accomplishments In a basic sense, it expresses respect for a person's individuality. Thus, honor is linked to a person's self-confidence and his respect and courtesy towards others.

We must appreciate the vicious distortions which the honor of our people has suffered throughout the ages. Once organized in free, natural societies, our proud ancestors were subjected to teachings that "pride" was "sinful." Their honor which had been a measure of their individual excellence was gradually *degraded* into public acclaim for servitude and compliance with the wishes of others. Thus, the desire for titles and "honors" replaced a man's inner pride of his own accomplishments. The respect for an individual's personality gave way to respect before wealth and power. This corruption of our fathers produced more than 1000 years of fratricidal

wars, monstrous atrocities, and the extermination of the bulk of our ancient, Germanic, nation.

Read what the master of Roman historians, Publius Cornelius Tacitus, said about our ancestors, the inhabitants of "Diutiskland" (= "Land of God") in his "Germania," written 2000 years ago: "They are an unadulterated nation of people much alike in spite of their great number: blue eyes of stubborn view, reddish-blond hair, tall stature. Their posture is free and frank - their bravery defies wounds and death, their courage can grow into rage." *Thus lauds a proud Roman our German people!* His words are older than the New Testament but known so little! "A people without cunning or deceit," calls Tacitus the Germans, as he describes their plain mode of dress and their weapons-games and praises their women. Greeks and Romans saw in a woman a subordinate creature inferior to a man, but German idealism regarded the woman as holy, the mother of brave generations, a prophetess. The chastity of the German woman is lauded by Tacitus as her highest adornment which, if abandoned, was never forgiven; not beauty nor youth or wealth would find her a man!" *For here no one laughs about vice, and seduction and tolerance of corruption does not rank as timely with them.* Only virgins enter marriage which is consummated only once, with the hope and the pledge of the wife. Thus they receive only one man, as one body and one life, so that no thought reaches beyond, the sensual desire extends no further, so that they love in him the husband as well as the marriage. *They hold it a crime to limit the number of children or to kill anyone of the new-born,* and here good morals attain more than elsewhere good laws. Only late do young men learn of love; undiminished is therefore their masculine power. Also they do not hurry to marry off their young girls. They possess the same, fresh, youthfulness and a similar, tall stature. Equal in strength they wed their young men, and the children reflect the healthy and strong nature of their parents. *Very rare for such a numerous people is adultery* which is immediately punished by the husband. He drives his unfaithful wife naked and with shorn head out of his house before the eyes of their relatives and drives her with beatings through the whole village.

spirit shall the wife live and die: what she receives, she must pass-on to her children as undefiled and undamaged property, worthy to be received by a daughter-in-law and worthy to be passed-on again to her children.

During battle, wife and children are near their fighting husbands. They are their witnesses and the heralds of their deeds. *The warriors show their wounds to their mothers or their wives who do not shy away from counting and examining the single cuts. Indeed they strengthen the warriors with encouragement and food.* Many a line of fighters which began to retreat is said to have been stopped by women with their intense pleas not to deliver them into captivity." Thus from the "Germania" by Tacitus - an incomparable monument of honor for Germans: the great Roman historian contrasts the corruption and the total decay of Roman culture with the health and the high morality of the German nations! Sadly enough, the high standards of our ancestors contrast also dramatically to the modes of our time today. One particularly heinous aspect of the corruption of our current civilization is the malicious degradation of our girls and women. Truly, if ever a person in God's world deserves our honest respect and love, it is the one who gave us life and who cared for us until we were grown. We should hold the honor of our girls and women inviolable, in reverence of their role as progenitors of our nation. Yet what have we done? We have allowed the oriental rapist to tear the veil of natural decency from the chaste bodies of our women. Our own daughters, sisters, and mothers are the objects of innumerable lewd and "obscene" "jokes" which, incredibly, *form the principal "entertainment" at our social gatherings.* Shameless exhibits of erotic undergarments fill our "fashion magazines" and our shopping windows. Our bookstores are crowded with sensual and profane books and periodicals, and

FREE! - "THE AFRICAN"

By Thomas E. Watson

Tom Watson was one of the most famous political leaders in Georgia history. The main statue on the grounds of the Georgia State Capitol is that of Tom Watson. Watson was a world traveler and famous author and he studied the life of the negro in Africa. His prose on this subject is the most revealing and startling we have ever read. An appendix in this book gives the Belgian report on atrocities committed by negroes when they revolted in 1960 and sought to torture and kill all Whites. This sensational eye-opener is free to all NEW subscribers using this form or requesting "The African."
